How to change PIN?

Please follow below steps

1. Click the **'Home'** button on your remote control
2. Select **'Preferences'**
3. Select **'Parental Control'**
4. Enter the 4 digit PIN. Please note that the default PIN is **'0000'**
5. Select **Change PIN**
6. Key in your current PIN, your new PIN and reenter your new PIN to confirm
7. Press the **'Back/OK'** button on your remote control
8. Select **'Yes, continue'** to apply changes

* There is no limit set for keying in the PIN. To undo, press the left arrow button on your remote control

Step 5: Login with your Astro ID or Email Address

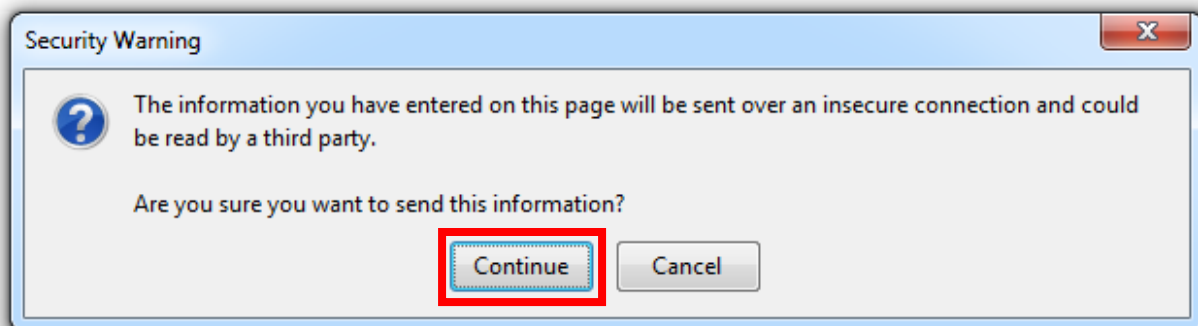

If you do not have an Astro ID, click 'Sign up with my email address'

The image shows a login form with the following elements:

- Two social login buttons: "Login with Facebook" (blue) and "Login with Google" (red).
- A separator line with the word "or" in a circle.
- Text: "Login with your Email address OR Astro ID to continue to Astro."
- Input fields for "Email address OR Astro ID" and "Password".
- A checkbox labeled "Show password".
- A prominent pink "Log In" button, highlighted with a red border.
- Three links: "Forgot my password.", "Forgot my Astro ID.", and "Sign up with my Email address." (the last one is highlighted with a red border).
- A link: "Need help? Have a question?"

Step 6: Click 'Continue' button to proceed with signup

The image shows a "Security Warning" dialog box with the following content:

- Question mark icon.
- Text: "The information you have entered on this page will be sent over an insecure connection and could be read by a third party."
- Text: "Are you sure you want to send this information?"
- Two buttons: "Continue" (highlighted with a red border) and "Cancel".

Step 7: Type in your comments and click **'Post Comment'**
